Dear Nominated Representative.

Kindly see the below Verification Checklist which is inline Y.E.S Initiative Practice Note which was gazetted on 12 October 2018.

The Y.E.S 4YOUTH Team will also make available a dedicated portal for Verification Agencies to retrieve company specific Y.E.S data (available [here](#)) that they are currently verifying. In order to gain your password controlled access to this YES verification portal please fill out the table below and send to: verification@yes4youth.co.za

The Portal has been established to be transparent with Verification Evidence and is not limited to what has been uploaded onto the Portal.
