

CURRICULUM VITAE OF THABO LEDWABA

INTRODUCTION

I am a vibrant, confident, target and deadline driven young male who can adapt to any environment.

I possess strong interpersonal and communication skills and build strong working relationships with my colleagues. I work well in both a team, as well as individually. I work smart and am always willing to go the extra mile. I am a quick thinker and eager to learn.

Over the period of my career I have been exposed to a variety of different situations which have improved my personal and professional skills tremendously - time management, dealing with difficult people / situations, meeting deadlines, adapting to change, computer skills to name a few.

I am a dynamic, driven individual who maintains a healthy, active lifestyle and enjoys interacting with people from all walks of life.

Given the above, I believe that I possess the skills and competencies needed to join an environment where I would strive to become a valuable asset a

Yours sincerely,
