Letter of Work Experience

To whom it may concern,

This letter serves as a reference for Onkgomoditse Kgaje placed by the Youth Employment Service (YES) for a period of one year's work experience.

Onkgomoditse commenced work at ROCHE DIAGNOSTICS (PTY)LTD on 01 February 2022. ROCHE DIAGNOSTICS (PTY)LTD is in the Professional, scientific and technical activities industry and Onkgomoditse was employed as a Marketing Assistant.

The design of the YES programme includes digital interventions that support the provision of a quality work experience and develop a growth mindset among Youth. One of the interventions is the provision of Youth apps via the smartphones which provide Youth with access to work readiness modules and promote soft skills development. These work readiness modules are delivered digitally through an accessible and attractive micro-learning format. Onkgomoditse embraced these learning by completing soft skills modules such as the Yoga, Get Vaccinated Against COVID19, and Customer Service.

Over the course of the 12- month quality work experience, Onkgomoditse gained experience in Marketing Assistant and skills in Professional, scientific and technical activities and was able to adapt well to our organisational culture. Given that both technical and soft skills are integral to the ability of an employee to contribute to the workplace, Onkgomoditse has shown that they are willing to use the resources at their disposal for continued, lifelong learning.

Based on their participation in the YES programme at ROCHE DIAGNOSTICS (PTY)LTD, I am of the opinion that Onkgomoditse will be able to add value to any employer when placed in a suitable role.

Yours sincerely,

Cynthia Duna
